This is a stunning custom built home. Although it is on a 0.64 acre lot as per public record, it backs to additional treed land that cannot be built upon in the back and on the side. These views are not found often. Home has every upgrade on the inside as well. Hardwood floors on the main level and upper level. Neutral paint throughout. Recessed lighting. Upgraded fixtures. Upgraded gourmet kitchen with granite counters and stainless steel appliances plus a large island with seating. Main level bedroom with own private full bath could also be used as an office. Large family room with stone fireplace with custom mantle. Two other large bedrooms on upper level with a Jack and Jill bathroom with upgrades. Primary bedroom with sitting area and grand primary bath with upgraded vanities. Check out the primary walk in closet!! Unfinished walk out basement is awaiting your personal touch...Fantastic location that is within minutes to shopping and grocery and restaurants. An incredible unique gem that is rarely available.
