Residential on 0.35 Acres

HIGHLAND, Upper Marlboro, MD

Where Grandeur Meets Intention – A
Masterpiece of Design and Entertaining

Impressive is an understatement. Every inch of this extraordinary residence exudes craftsmanship, comfort, and quiet luxury. Designed for those who appreciate both grand entertaining and intimate living, this home seamlessly blends architectural presence with everyday ease.

Upon entry, you're greeted by soaring 10-foot ceilings and stately doors that set the tone for what's to come—a gracious main level that feels both expansive and warm. The formal sitting room invites conversation, while the large dining room, complete with a custom butler's station, flows effortlessly into a showstopping kitchen. Here, built-in appliances create a clean, modern aesthetic, complemented by an oversized waterfall countertop and a dedicated prep sink designed for the true culinary enthusiast.

An executive-style office with custom built-ins makes working from home an elegant affair. Just beyond, the family room anchors the main level with its inviting fireplace and natural connection to the outdoors. Step onto the expansive deck and into the gazebo retreat—perfect for alfresco dining or late-night gatherings surrounded by the serenity of wooded views.

Ascend either of the dual staircases to discover an upper level that feels like a private resort. A sweeping hallway overlooks the dramatic two-story foyer, leading to bedroom suites that each offer distinctive character, generous scale, and serene ambiance.

The lower level redefines versatility—an entertainer’s dream and a haven for multi-generational living alike. With its expansive open concept, full bar, private den, and an additional bedroom suite, the possibilities are endless: an income-producing apartment, a stylish retreat or simply a luxurious extension of your lifestyle. Walk out directly to the spacious yard and let the party continue under open skies.

Every detail, every proportion, every finish whispers sophistication. This isn’t just a home—it’s an experience, designed to be lived in, celebrated, and remembered.

Built in 2006
