Endless Beauty!

Tucked away on nearly four private acres in a highly sought-after area, this unique property borders the beautiful Marleigh community. The existing home has been significantly expanded with an additional structure, creating a much larger footprint than the original design.

While the property does need renovation, it offers tremendous potential. Whether you're looking to restore and customize the existing structure or envision a brand-new estate, this could be your blank canvas. With land of this size and location, the actual value may lie in the land itself—a rare opportunity for redevelopment or a custom build in an established, upscale area.

Don't miss the chance to own this private retreat with endless possibilities! Appointments only. Must schedule online with ShowingTime. All buyers must be pre-approved.
